FEATURING U.S. CALLER **GIL PORTER**

Gil learned to dance in college in Baltimore, MD in 1965 and started calling almost immediately in the Baltimore area. After graduation in 1968, he moved to Pittsfield, MA and started calling for the Berkshire Pioneers as well as a teen club in the Pittsfield area. Within a year or so, he started the Mountain Laurel Squares near Canaan, CT and was traveling in wider circles as a guest caller. Soon, he was calling throughout New England, Eastern New York and Canada, as well as calling weekends and festivals and for his two regular clubs. He has had a round dance club and has called and taught square dances for over 50 years from Fun Level through A2. Gil is retired from a career as a scientist with GE and Xerox and lives in Fairport, NY. In addition to his traveling, he calls for the Village Squares in Pittsford near Rochester, NY.
